

Tuscumbia City Schools Virtual Learning Expectations

Students should...

- Check all classes daily for assignments and teacher updates
- Be on time with needed materials and engaged for the entirety of all live class sessions. Refrain from using any technology during live-online classes that would not be allowed during a school day on campus—for example, cell phones and gaming devices.
- Actively participate in sessions - make comments, ask questions.
- If possible, be in a quiet workspace that is conducive to learning.
- Complete assignments with integrity (no cheating) and submit them on time.
- Participation in live class sessions is highly encouraged, but not required, and will not be counted as a grade.
- Students are not required to activate the “video” aspect of the conference

Teachers will...

- Be on time for online class sessions.
- Be working and responsive during office hours using Google Meets, Email to communicate with student.
- Post instructions and resources on their Google Classroom and other electronic platforms.
- Reach out to any student/parent who has fallen behind
- Grade assignments and return to Student on Friday of each week.
- Consistently utilize Google Classroom and other resources to facilitate ease of use for students and parents.

Parents may help by...

- Supporting your student’s teachers in their online instruction.
- Establishing routines and expectations for your student’s day to help provide structure for virtual learning.
- Defining the physical space where your student will study and attend class.
- Monitoring student grades and incomplete assignments in Google Classroom/INOW
- Monitoring communications from your student’s teacher and the school.
- Encouraging your student to do his/her own work so that teachers can evaluate their academic growth.
